Nevada Street Tenants

The tenants association has a new roster of officers for the year. There was a Mother's Day dinner, along with a program given on Mother's Day Tenants from the building prepared the dinner which was enjoyed by all.

We have a new site manager. She will be introduced to the tenants at the next tenant meeting which will be held in June. Breakfast is served every Friday morning and there also is a Saturday café where lunch is served.

Beth Israel Hospital has a program every month for the tenants in the building exercising and with lectures. There is a new Giant calendar on the bulletin board in the lobby which allows tenants to know all the important information.

*There is a Social Club on Wednesdays
where the tenants get together and socialize
and get an update, of all programs
being held in the building or the community*
